BASEBALL & SOFTBALL INFORMATION

WHO: 1st-6th grade (past school year) Boyden & surrounding area kids are invited to participate in the Boyden Summer Baseball & Softball Leagues. Teams are divided into 1st-2nd graders, 3rd-4th graders, and 5th-6th graders. Team divisions may change depending on the registration numbers.

WHAT: During Summer REC Baseball and Softball, kids will have the opportunity to practice with same-aged peers in developing teamwork, leadership, and baseball/softball skills and abilities.

WHEN: Practices will begin toward the end of May, and games will begin in June. As the season gets going, coaches will aim to have approximately 2 games per week (per age group), though this may be adjusted depending on weather and other teams' availability. Specific information about practice and game times will be communicated at the beginning of the season by the teams' coaches.

WHERE: Games will occur in Boyden and in surrounding area towns. Practices will be in Boyden.

WHY: To get kids involved in fun and meaningful activities that support growth, positivity, and skill development!

BOYDEN JR. LEAGUE TOURNAMENT

If your child wishes to participate in the Boyden Summer Baseball or Softball League, your family will also be responsible for helping serve one 'duty' during the Boyden Tournament or for finding a replacement party to cover your shift. The 2024 Boyden Tournament will take place the weekend of June 14-15. Duties may include serving concessions, umping, announcing, or facilitating other tournament needs. Not partaking in the tournament duty will result in a fine. Proceeds from this tournament have helped support the Boyden Summer REC Baseball & Softball programs, and we depend on families' support during the tournament to help things run smoothly! Thank you so much in advance for your understanding and your willingness to help our town! Some things that have been provided/supplemented by the Tournament proceeds include:

- Purchasing Summer REC Baseball/Softball Equipment and Gear
- Providing end-of-year celebration opportunities for Summer REC Baseball/Softball teams
- Improving and maintaining Boyden's Easy & West Diamonds
- Purchasing the new scoreboard at the West Diamond
- Building the Concessions Stands at the East Diamond and the Birds Nest at the West Diamond
