~ Reminders ~

Property Maintenance: With fall quickly approaching, it is an opportune time to survey your property for compliance with the established nuisance ordinances. These ordinances govern the following things and are not limited to landscaping, weeds or grass that needs to be mowed or trimmed, junk items, abandoned vehicles or small machinery items (lawn mowers, etc.), and general overall property clean up. Please take the time to keep the community a neat and clean place for everyone to enjoy!

Camper/ RV/ Trailer Parking: Campers, RV's, and trailers **should not be parked more than 48 hours on the street** at any location within the City. The City will contact the sheriff's office to ticket those in violation of the 48-hour limit. Those in violation will be ticketed \$10 per day that the camper, RV, or trailer remains on the street.

Dog Ordinances: Please be advised that the City has ordinances which govern dogs at large, unleashed, and a noise ordinance for barking. The Sioux County Sheriff's Dept. should be notified if you have a dog complaint at 737-2280.

Animal Regulation Ordinance: Reminder to residents: City Code 55.17 regulates the number of animals that can be kept on a property as follows:

- a. It is unlawful for a person to keep or maintain at any one location more than two of the following types of animals: dogs, cats, ferrets or rabbits, which animals are more than six months old or are animals that are from more than one litter and are more than 3 months old, unless otherwise permitted by written permit from the City Council.
- b. Any animals kept in violation of this section of Code may be immediately removed from the property and impounded.

Siren's 1st Friday of each month: The Sioux County Sheriff's Office and Sioux County Emergency Managements conduct monthly siren tests on the 1st Friday of each month in all Sioux County Communities.

Centennial Park Hours: The park is closed 11 pm-5 am.

Splash Pad: Will be shut off on Tuesday, September 6.

As fall arrives the area farmers will soon be harvesting. Please use caution and slow down when meeting machinery and trucks that will be going through town. If you have children that walk to school, please be sure they are using the sidewalks. There will be an increase in the traffic near the elevator which can make it hard for the children to be seen. Please do not walk or ride bike through the elevator property.
